

EMA Survey for Presenters

[Exit this survey >>](#)

1. This survey has 12 short questions

1. What is the name of your organization?

2. What kind of organization are you?

- Presenting organization exclusively
- Presenting organization that also self-produces events
- Festival
- Other (please specify)

3. How many early music concerts (total number of performances) did your organization present or produce over the last 12 months (or the 2004/2005 season)?

4. How many of these performances were self-produced?

5. What was the range of numbers of artists involved in each performance (e.g. 1-25)?

6. What was the average (mean) number of artists involved in each performance?

7. What was the range of fees paid per performance (total fees per performance, not per artist)?

8. What was the average (mean) fee paid per performance?

9. What was the average number of audience members attending each performance (estimate is OK)?

10. What is the annual budget for your organization?

11. If your presenting organization presents other kinds of classical music, what percentage of your classical music concerts this year were "early music" concerts (answer 100% if you present exclusively early music)?

12. Please list contact person and email address.
